

CentaurPlus C27 Series 2

Electronic time control

CentaurPlus C27 is a 2 channel 7-day control, allowing independent time control of central heating and hot water. Highly popular and affordable, with the latest Series 2 now featuring a backlit display, and incorporating an automatic GMT/BST clock.

All models feature an industry standard six-pin backplate which permits easy replacement/upgrade. The C17 is suitable for use with combi boilers, and the C27 is ideal for non-combi boiler installations where a hot water cylinder is in use.

Applications

- Control of most domestic gas or oil-fired central heating and hot water systems.
- Combination ('combi') boiler systems
- Stored hot water systems
- Solid-fuel systems
- Additional zone control

Benefits

- Standard wall plate – simple to plug-in and replace
- Direct replacement for many competitor products

Features

- 7-day programming
- Up to 3 On/Off's a day
- Hot water boost and central heating advance
- Programme options: On, Off, All day or Auto
- Mains powered with battery back-up
- 7 years no quibbles warranty

Technical specifications

Electrical

Contact rating	3 (1) Amps 230V AC
Contact type	Micro-disconnection Voltage-free C17 only)
Rated impulse voltage	Cat 2 – 2500V
Supply	230V AC 50Hz only

Environmental

Pollution degree	Degree 2
Class a software	Type 1 Control
Operating temperature range	0 °C to +40 °C
Battery life	Minimum 10 months continuous operation

Mechanical

Case material	Thermoplastic flame retardant
Dimensions	84 x 150 x 29mm

Features

Display	Back-lit liquid crystal
Clock	12-hour am/pm Auto BST/GMT changeover
Displayed time adjustments	1-minute steps
Switched time adjustments	10-minute steps
Operating periods	3 per-day per-channel. Separate programmes possible for each day of the week
Override	C17: 1-hour boost, 1- hour extension to On period & Instant advance C27: 1-hour boost (HW only), 1-hour extension to On period (HW only) and instant advance (CH only)
Mounting	6 terminal plug-in wall plate
Enclosure protection	Flame retardant thermoplastic
